

# You are Invited to a **Building Bridges Through Understanding the Village** Event

**Saturday March 30<sup>th</sup>, 2019 from 9:30 am to 4 pm**  
*Unitarian Church of Vancouver: 949 49 AVE W, Vancouver, BC*

## **About the Workshop and Facilitator**

During this experiential workshop we will explore our personal role in supporting the revival of the values that worked so beautifully in Indigenous villages for thousands of years. We will also explore in-depth the affects of Residential Schools and Canada's Policy of Assimilation. This workshop is geared to solutions rather than recrimination and is a great forum in which to ask questions. The workshop is done from a non-blame and non-shame perspective and invites all participants to become a part of the healing that IS already happening.

The workshop will be facilitated by Kathi Camilleri. Kathi's work has been inspired by Jann Derrick's teachings of Jann Derrick's "The Circle and The Box" and by many Elders' teachings.
